The Primary Election is being held for the purpose of electing candidates for the following offices:
Governor, US Senator, Representative in Congress 12th District, State Senator 18th District, Representative in State
Legislature 54th District, County Commissioner 4th District, County Commissioner 5th District, County
Commissioner 6th District, also to elect Precinct Delegates **and two Proposals:**

**ANN ARBOR AREA TRANSPORTATION AUTHORITY
PUBLIC TRANSPORTATION MILLAGE**

To maintain the expanded levels of public transit and paratransit services—including services for seniors and people who have disabilities—shall the Ann Arbor Area Transportation Authority (TheRide) renew and restore an annual tax of 0.7000 mills (\$0.7000 per \$1000 of taxable value) on all taxable property within the City of Ann Arbor, the City of Ypsilanti, and the Charter Township of Ypsilanti for the years 2019-2023 inclusive? An annual tax of 0.7000 mills was first approved in 2014. This millage has been reduced to 0.6860 mills under the Headlee Amendment. This proposal would renew the millage and restore it to the originally approved 0.7000 mill amount. The estimate of revenue if this millage is approved is \$4,849,066 for 2019. This revenue will be disbursed to TheRide and, as required by law, a portion may be subject to capture by the downtown development authorities of Ann Arbor and Ypsilanti, the Washtenaw County Brownfield Redevelopment Authority, and the local development finance authority of the Charter Township of Ypsilanti.

LINCOLN CONSOLIDATED SCHOOL DISTRICT BONDING PROPOSAL

Shall Lincoln Consolidated School District, Washtenaw and Wayne Counties, Michigan, borrow the sum of not to exceed Twenty-Five Million Dollars (\$25,000,000) and issue its general obligation unlimited tax bonds therefor, for the purpose of:

remodeling, equipping and re-equipping school buildings, including for security purposes; erecting and equipping a new field house at the high school; erecting, equipping and furnishing a new indoor training facility; acquiring, installing and equipping or reequipping school buildings for instructional technology; purchasing school buses; and preparing, developing, improving and equipping playgrounds, athletic fields and facilities and the site?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2018, under current law, is 0 mill (\$0.00 on each \$1,000 of taxable valuation). The maximum number of years the bonds may be outstanding, exclusive of any refunding, is twenty-five (25) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.72 mills (\$1.72 on each \$1,000 of taxable valuation).

The school district expects to borrow from the State School Bond Qualification and Loan Program to pay debt service on these bonds. The estimated total principal amount of that borrowing is \$10,918,018 and the estimated total interest to be paid thereon is \$32,090,282. The estimated duration of the millage levy associated with that borrowing is 27 years and the estimated computed millage rate for such levy is 7.35 mills. The estimated computed millage rate may change based on changes in certain circumstances.

The total amount of qualified bonds currently outstanding is \$90,370,000. The total amount of qualified loans currently outstanding is approximately \$12,905,749.

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses)
