

The recycling center (where your recyclables are sent) has made changes in what they will accept for 2017. Please review the items at the bottom of the page (listed in **RED**) which are NOT acceptable. New for 2017, plastic (grocery-type) bags or plastic containers with #3 or #6 on them will not be accepted, as well as plastics without a number.

In addition, flat-cardboard requirements have changed and cardboard must be bundled 2' X 2' or smaller. The recycling containers from the Compost Site will not be moved to the Community Center during the winter months (December – March). Drop-off recycling during these months is only available on Saturdays at our Compost Site, with proof of residency required.

As we begin our full-time hours in April 2017, hours will be changed for the Monday–Friday schedule to 8:00 am–4:00 pm. We will no longer accept oil, oil filters, antifreeze or tires of any type. There has been additional scrutiny on waste oils; we recommend you take these items to the Zeeb Rd. Hazardous Waste Site, located at 705 N. Zeeb Rd. Ph. 734.222.3810.

**PAPER**  
Office Paper  
Junk Mail  
Newspaper  
Phone Books
