Note: Owners who wish to receive scheduling notices, invoices and other legal notices from the Township and who are unable to physically be present for inspections may choose to designate an agent to represent them for the purpose of attending scheduled inspections. Owners must notify the Township in writing and provide the agent's name and contact information at least four days prior to a scheduled inspection. Written notification may be done by email or fax on a case by case basis. Township inspectors are prohibited from entering a rental property to conduct a scheduled inspection unless the property owner or designated agent is physically present to accompany the inspector through the house. Failure to be present at a scheduled inspection will result in a "no show" fee being assessed and the inspection being re-scheduled.

Any changes in owner contact information, changes in designated agents or changes in the number of units contained in a multi-unit dwelling shall be reported to the Office of Community Standards within 15 days. The Township will not be responsible for missed inspection appointments and delinquent invoices caused by an owner's failure to notify the Township of a change of address or a change of agent designated to receive official notices and invoices.
