Tina Hotchkiss was raised in central Ohio on a horse farm. She received a Bachelor’s degree in Arts and Sciences from Ohio State University. For 15 years, Tina worked as a commercial and residential designer and had the pleasure of working with designers who showed excellent drawing skills.

During those 15 years, Tina fell in love with the drawing and rendering processes of design. Wanting to share the skills she learned, Tina decided to teach drawing to people with the mutual love for the arts. She enjoyed her new adventure so much that she expanded her skills to watercolor, color pencils, and pastels. Tina’s current goal is to experience more forms of art and expand her horizons, and at the same time, share these skills with others.

**Come to the Ypsilanti Township Community Center and try an art class with Tina Hotchkiss this Fall.**
